

A self-portrait can be many things!

Artists often create self-portraits that show their face or body, but these images are also a way for them to express their emotions and personality.

Inside this book, you will find lots of fun activities where you can explore different ways of creating your own portrait.

Take your time and make each drawing as special as you are.

Make sure you personalise the front cover by drawing a self portrait in the frame.

Let's get started!

My Day

In the space below, write or draw a picture about your day.

My Place In the space below, draw a picture of your home or somewhere that is special to you.

I Draw, You Draw

- Draw the left side of your face on this page.
 Make sure to draw against the centre fold.
- When finished fold this page in half.

- Ask a friend to draw the other side of your face on this page against the centre fold.
- 4 When finished fold this page in half.
- 5 Open both sides to reveal your completed portrait!
